## MERCER Senior Enterprise Analyst

Please apply online at: [www.mercer.com](http://www.mercer.com), job number SP00010

Mercer is a global consulting leader in talent, health, retirement and investment. Mercer helps clients around the world advance the health, wealth and performance of their most valuable asset - their people. Mercer has 23,000 employees in more than 40 countries. If you have no challenges, we guarantee that there are exciting positions and growth opportunities with Mercer. We encourage you to explore the benefits of our exceptional benefits through Mercer. Our core strengths also include its unique position to help our clients deliver the extraordinary - and extraordinary results require extraordinary people. Mercer is a fully owned subsidiary of Marsh & McLennan Companies (NYSE: MCH). A global firm of professional services companies offering health, talent and investment to the world of work, through our human capital.

The Senior Enterprise Analyst supports consultants who manage client accounts by researching, analyzing, and evaluating data from medical, dental, life and disability benefits plans and programs for employees. To fulfill this role, the analyst will handle a variety of tasks on the following topics: supports consultants who manage client accounts by researching, analyzing, and evaluating data from medical, dental, life and disability benefits plans and programs for employees. To fulfill this role, the analyst will handle a variety of tasks on the following topics:

- Research the Proposed RFP: To complete the RFP process, the analyst gathers the health benefits information from a variety of sources (such as hard files, electronic files, the client and carrier), consolidates impressions from the carrier and reports data and maintains all appropriate documentation.
- Client Issues: The analyst will research client issues by contacting carriers and vendors on behalf of the client and determine when issues need to be escalated to a consultant.
- Summary File Description (SFD) Reviews: Reviews the SFD from the carrier and compares it to the client's benefits for accuracy, follows up with the carrier to make any necessary changes or make:
- Benchmarking health benefits data from a national survey administered and published by Mercer inputs it into a standardized template and compares a client's medical and dental plan information to other companies by industry or geography and provides the information to the client.

### Qualifications:

- Bachelors degree in preferred
- One to three years health benefits experience required
- Strong analytical and mathematical skills, strong command of Excel
- Excellent interpersonal skills, strong oral and written communication skills
- Ability to prioritize and handle multiple tasks in a demanding work environment
- Ability to work independently and on a team
- Data (Excel/Access) & Health License must be obtained within three months of hire date

Marsh & McLennan Companies offers competitive salaries and comprehensive benefits and programs including health and welfare, tuition assistance, pension and 401K, employee assistance program, domestic partnership benefits, career mobility, employee network groups, volunteer opportunities, and other programs. For more information about our company, please visit us at [www.mercer.com](http://www.mercer.com). We encourage you to explore the benefits of our exceptional benefits through Mercer and provide the best background, heritage and preparation of our colleagues and clients. For more information, please visit us at [www.mercer.com](http://www.mercer.com).
