

# Press Release

The City of Post Falls has been experiencing an increased number of graffiti type vandalisms over the past few weeks. The graffiti consists of the wording "GREAT WHITE, BROTHERHOOD TILL THE END, TIC-TAC, QUESTION EVERYTHING" and "D-LINE."

There have been three different locations where the vandalisms have occurred. It appears

that the suspect is using a black felt tip marker.

Anyone with information on this is urged to call Detective Williamson with the Post

Falls Police Department, (208)-773-3517. Anyone who wishes to give information can

remain anonymous if they call the Post Falls tip line at (208)-777-COPS (2677), or log onto
