From: Tammy Williams  
Attorney for Tracy Berg

**FOR IMMEDIATE RELEASE**

Tracy Berg is pleased with the Spokane County Prosecutor's decision not to pursue criminal charges against her or the teen regarding the July 2008 Spokane Valley View fire.

The Prosecutor's decision will allow Dr. Berg to focus all her efforts on continuing to vigorously defend the civil suits which allege that the teen's July 7 recreational fire started the July 10 Valley View fire.

This decision by the Prosecutor in no way diminishes Dr. Berg's concern for those who sustained damage in the Spokane Valley View fire.

For further information, please contact Dr. Berg's attorney, Tammy Williams.
