Paid for by the Committee to Elect Mike Kennedy, LaDonna Beaumont, Treasurer

Dear Armstrong Park Neighbors,

In all our years of living in Armstrong Park the Homeowners Association has tried to resolve the situation with the ownership of the water system and have it taken over by the city.

We had no success or forward motion, but while he was running for office four years ago Mike Kennedy said he would make it a priority.

One year later, in Mike's first term, the City finally struck a deal to take over the water system after a lot of work with staff and the other members of the City Council.

We respect Mike greatly—he was then a candidate who made a pledge and kept at it until the job was done. And the values of all of our homes in Armstrong Park is higher with the security of being on city water—finally.

Now he's a member of the City Council running for re-election who shoots straight and keeps his word. That's something of which we can all be proud.

We're supporting Mike in his re-election and we hope you will vote for him, too.

Best regards,

Art and Nancy Flagan
