FIRE DISTRICT

Pfc. Josh Masterson of St. Maries, Idaho was wounded in Afghanistan last week by an IED while on foot patrol with his team. He was shipped to Germany and then to Bethesda. It is unknown at this time how long Pfc. Masterson will be in the hospital. Pfc. Masterson is a 2008 graduate of St. Maries High School.

The St. Maries Fire Protection District is holding a fundraiser to help raise funds for the family of Pfc. Josh Masterson. They will face a lot of expenses traveling to and from Bethesda, Md to be with Josh.

The St. Maries Fire Protection District will be holding an all you can eat Taco Bar Fundraiser from 11 am to 7 pm on Friday the 18th of December at the St. Maries Fire Department (308 W. Jefferson Ave, St. Maries, Idaho)

We will also be collecting cards and letters to Pfc. Masterson. We will make sure that they get to him.

If you would like more information or would like to make a donation, please contact the St. Maries Fire Protection District at (208) 245-5253 or Lisa at (208) 582-2512.
