

Deary teens get 30 days of detention, 3 years of probation for shooting at vehicles/Moscow-Pullman Daily News

Two Deary teens who admitted to shooting at several chip trucks and passenger vehicles were sentenced by Lewis County Magistrate Stephen Calhoun to 30 days of juvenile detention at the Nez Perce Juvenile Detention Center in Lewiston. They will also serve three years of probation — the maximum allowed for a juvenile facing these charges — effective immediately.

Austin Rickert, 14, and Austin Medlock, 14, each admitted to two counts of unlawful discharge of a firearm at a passenger vehicle, as well as one count of unlawful discharge of a firearm at a vehicle at nine chip trucks after they shot at the vehicles Jan. 22 near Helmer.

Rickert faced an additional count of altering a firework.

Latah County Prosecuting Attorney Bill Thompson asked for a sentence of placing the two boys within the Department of Juvenile Correction program where they could obtain therapy and live in a group-home setting.
