The Honorable Governor Jan Brewer  
Governor of Arizona  
1700 West Washington  
Phoenix, AZ 85007

Dear Governor Brewer:

At the June meeting of the Bonner County Republican Central Committee of Bonner County, Idaho, the membership voted to affirm your new law on illegal immigration and to make a statement at the Bonner County Fair by displaying evidence of our support. The theme of this year's fair is the Spanish word for celebration: "fiesta". The Republicans at BCRCC want to make it very clear that English is our primary language, and call our booths "Celebrate!" We'd like to display some Arizona license plates if you have some to spare. Please let us know where we might obtain a couple. Our fair happens the last week of August. Thank you.

Respectfully,

Cornel Rasor, Chairman BCRCC
