HOLIDAY EVERYTHING COOKIES

DECEMBER RECIPE

Recipe

Holiday Everything Cookies

2 cups butter, softened
 2 cups sugar
 2 cups brown sugar
 4 eggs
 1 tsp vanilla
 Cream together until light and fluffy

Add in 3 1/2 cups flour (white or ww)
 5 cups oatmeal (any kind) If your oatmeal is really course you may want to pulse it in the food processor.
 pinch salt
 2 tsp baking powder
 2 tsp baking soda
 3 cups total of dried or cooked cranberries, walnuts, chocolate chips, or candied fruit.

Press this into a ungreased 8x12 " baking dish. Bake at 350 degrees for approx 30 minutes. Test center to see if cooked by inserting a knife, if it comes out clean it is done.

If you would like to make cookies I make them golf ball size about 2" apart on an ungreased cookie sheet and bake for 5-6 minutes at 370 degrees.
