### **Silverwood is Ramping up for the Summer and Looking to Hire up to 1,200 Seasonal Jobs**

Every summer hundreds of thousands of guests flock to Silverwood Theme Park expecting to have good family fun and none of that would be possible without a happy, well trained staff to greet them. This year Silverwood is going to hire and train up to 1,200 hundred seasonal positions at the park.

This is especially daunting as that task includes filling positions ranging from ride operators, lifeguards, food and beverage workers, housekeepers, retail positions to games employees and more. The park looks for all levels of experience from youth seeking that first job to more seasoned job seekers wanting a fun yet hard working environment. Positions from entry level to supervisory are available and include a first class training program that prepares each employee to meet and exceed the expectations of the many different positions and experience levels here at the park.

Applicants can visit [www.workatsilverwood.com](http://www.workatsilverwood.com) to fill out an application and then come to one of two job fairs for an interview.

Job Fairs / Interviews to be held:  
Saturday, March 19<sup>th</sup> & Saturday March 26<sup>th</sup>  
10AM to 2 PM  
In Silverwood's Theatre of Illusion

Applicants should come dressed to impress with training starting in April. Silverwood opens weekends in May and daily in June (the full park schedule can be found at <http://www.silverwoodthemepark.com/schedule.php>). If applicants have questions they can call the Silverwood Human Resources department at (208) 683-3400 extension 4 or email [hr@silverwoodthemepark.com](mailto:hr@silverwoodthemepark.com).

Silverwood Theme Park is the largest Theme and Water Park in the northwest with 216 acres of fun and over 65 rides, slides, shows and attraction in the park.
