INCIDENT NARRATIVE: Milivojevic was southbound on US95 near milepost 487.7 when he fell asleep and left the roadway on the southbound side. Milivojevic overcorrected, came back onto US95, crossed the center line and left the roadway on the northbound side. The vehicle then went down an embankment and came back up the rail road grade. This caused his vehicle to overturn and land on the rail road tracks. The roadway was down to 1 lane on US95 for approximately 2 hours. The roadway was reduced to 1 lane for approximately 30 minutes.
