FOR IMMEDIATE RELEASE

KOOTENAI COUNTY REPUBLICAN PARTY PRESS RELEASE
REGARDING THE COUNTY COMMISSIONERS PRECINCT REDISTRICTING

The Kootenai County Republican Party held a Special Meeting on January 2, 2012 at the Silver Lake Motel Conference Center located at 6160 N. Sunshine St., Coeur d'Alene, Idaho 838315 addressing the precinct redistricting by the Kootenai County Commissioners.

The members present had a difficult time trying to understand why the county commissioners seem determined to reduce the number of precincts as a cost savings for taxpayers. The major cost of an election is staffing the polling places and printing the ballots, precinct committeemen do not cost the taxpayers a dime.

After much discussion, two resolutions were passed without dissenting votes urging the county commissioners to reconsider their plan to reduce the number of precincts to 50.

The resolutions will be presented to the county commissioners at Tuesday's meetings. Concerned citizens are encouraged to attend the 2:00PM meeting at the Kootenai County Administration Building.
