UNIFIED LAND USE CODE PROJECT

UPCOMING ULUC PUBLIC WORKSHOP

“Design, Housing, Neighborhoods, and Places”

AND OTHER COMMITTEE MEETINGS

“ONGOING PUBLIC PARTICIPATION”

PUBLIC WORKSHOP regarding *Design, Housing, Neighborhoods, and Places, Module #4 text*. The workshop will be held Tuesday, June 26, 2012 – 5:45 PM to 7:45 PM – Coeur d’Alene Library, 702 East Front Avenue Coeur d’Alene, ID 83814, in the Community Room.

Kendig Keast Collaborative (KKC) will be giving a presentation of Chapter 3, Density, Bulk and Scale, Chapter 4, Accessory Structures and Signs, Chapter 6, Site and Subdivision Design. KKC will lead a discussion regarding the management of development impacts and the administrative procedures and processes of the new ULUC. The idea of this workshop is to provide a summary of what has been learned thus far, including a public discussion of the initial *draft* text of Chapter 3, 4 and 6. Chapters 3, 4 and 6 of the new code are critically important components of this project, which need to be carefully structured and calibrated in the new ULUC. The public, agencies and all interested parties are strongly encouraged to attend and participate. We need your ideas and input!!

OTHER COMMITTEE MEETINGS: The public is also invited and encouraged to attend and observe any of the following committee meetings.
