## **May 21 Election Candidate Filing Deadline Near**

Kootenai County Clerk Cliff Hayes reminds people interested in running for taxing district leadership roles in the May 21 election that the filing deadline is 5PM March 22.

“Trustee, Board member or Commissioner seats are open at the Library and Hospital districts, several School and Highway districts, plus some Water or Water & Sewer districts,” said Hayes. “Seats can be for 2, 4 or 6 year terms”, he continued. (The attached Notice of Filing Deadline gives more details; this will appear in the newspaper’s legal notices March 14.)

Potential candidates should contact taxing districts for residency requirements. Filing paperwork needs to be started and finalized at each taxing district office; County Elections’ staff will verify voter signatures on the candidate filing declarations.
