

Boundary County inmate dies in jail cell

On January 24, 2014, at about 7:10am, a Boundary County Sheriff Detention Deputy found inmate, 48 year old Brian Howarth, unresponsive and not breathing in his jail cell. The Detention Deputy requested an ambulance and immediately began life saving efforts.

Mr. Howarth was transported to the Boundary Community Hospital by ambulance where he was pronounced dead.

The incident is under investigation. The cause of death has not been determined.

The initial investigation has not indicated any foul play attributing to Mr. Howarth's death/Rich Stephens, Boundary County Sheriff's Office
