

Cyber-Privacy and Security Awareness Town Hall Meetings

Spyware—Malware—Viruses—Identity Theft—Hackers
Worms—Credit Card Fraud—Cyber Scams

Attendees will be “blown-away” as you are made aware of the cyber-spyware and malware threats to your privacy and security. If you or someone in your family own a computer or Smartphone, attending one of these meetings is a **MUST!** The odds are you have already been a victim of cybercrime and will be again.

North West Property Owners Alliance (NWPOA.ORG) a non-profit property owner and privacy rights organization will be conducting these 2-3 hour long meetings as a public service, **they are FREE to the public.** Protect your family and learn how not to be a victim. An instructive pamphlet will be available for a suggested \$10 donation.
