The Reagan Republicans are reminding you to vote by mail before Primary Election Day May 15!

### What's at Stake?

The election of 2012 will be one of the most important of our lifetimes. The May 15 Primary will determine who will carry the banner for the Republican Party in the November General Election. It is very important that we vote to nominate the strongest conservative Republican candidates to take on the Democrats in the fall. To fight against Obamacare, fiscal irresponsibility, liberal social policies, federal intrusion into our lives and the wholesale attack on our economic freedom and security, we must field a strong slate of conservative, ethical and competent candidates. Since 2009 the Kootenai County Reagan Republicans have been fighting to uphold President Ronald Reagan's timeless principles and helping to select conservative candidates in Idaho. We need your help.

### Who We Support

The Kootenai County Reagan Republicans wholeheartedly endorse the following conservative common-sense candidates in the May 15 Republican Primary. The Reagan Republicans recommend these outstanding candidates based on their strong conservatism, their demonstrated competence, and their high ethical standards.
