

Post Falls Police Department Graveyard Shift – 7.15.14

PFPD assisted ISP on Interstate 90. ISP was in pursuit of a red passenger car while the registered owner of the vehicle was on the phone with ISP dispatch advising he was being shot at and surrounded by many cars in the CDA area. The vehicle finally came to a stop at MP 3.5. The driver was highly under the influence of meth and became combative towards officer and troopers. He was taken into custody and transported to the jail by ISP.

3000 Block Donegal Road animal bite report taken. No medical attention was required for the victim but dog was impounded at taken to the Canine Control Center for further investigation.

49 year old male with developmental disabilities was reported missing by his family. Officers combed the area searching for subject. He was later located at KMC ER and returned to his family.

Officers handled several other calls involving juvenile runaways, prowlers, suicide threats, business alarms, animal noise, dui, fire alarm, and suspicious activities.

Have a great day Post Falls and stay cool!
