

Post Falls Police Department activities report (Graveyard Shift) – July 16, 2014

A malicious injury report was taken at Perfection Tire. The r/p called and stated he discovered two broken windows on the roll up doors to the shop. Officer responded and discovered that all the glass was on the outside on the building which appeared that the windows were broken from the inside.

An auto burglary report was taken from an employee at Dominos Pizza. The reporting party stated he left his cell phone inside his locked vehicle and when he went to make a delivery he discovered his phone missing.

A residential burglary report was taken at a residence on Singing Hills. The r/p reported that she had been gone from the residence a short time and when she returned she discovered the screen to the kitchen window had been cut and all the prescription medication she had sitting on the window sill had been stolen.

Raeann Trejo was taken into custody for warrants.
