

## **Post Falls Police Department activities report (July 29-30):**

### Graveyard

Officers responded to the area of KFC for a report of a suicide threat, the caller reported that a male had texted her and stated he had stolen a gun from an uncle and he was going to kill himself. After spending about an hour looking for the male he returned home where he was met by an officer. Officer Moss responded to the scene and after talking to the male it was decided that he need to be taken to NIBH. The male was less then cooperative but went with no issues, when asked why he was thinking of committing suicide, he told Officer Moss that he is being blamed for something he did not do.

### Day Shift

Officers responded to 38 calls for service between 6 a.m. and 3 p.m. today, including 4 citizen assists, 3 phone contacts, 2 suspicious incidents and:

An incident where a delivery driver was bit in the leg by a customer's dog while delivering to a residence.

A license plate was stolen from a trailer. The vehicle owner did not have any suspect information at the time of report.

An elderly male backed into another vehicle in a parking lot and then drove away. Officers were able to locate the suspect who returned to the scene and was unaware he had struck the other vehicle.

Renters moved out after causing \$4,000 worth of damage to the residence and leaving drug paraphernalia in the cupboards.

Unknown person(s) entered the fenced area of Blue Dog RV (most likely sometime over the past weekend) and stole a bicycle that was attached to a rack on an RV. The bicycle is valued at approx. \$1,200. (JO)
