INCIDENT NARRATIVE:

Two semi's collided on eastbound I-90 at the top of 4th of July pass approximately mile post 28. Mocanu, who was hauling empty aircraft fuel tanks, attempted to pass another semi hauling asphalt driven by Madsen. Mocanu accelerated but was unable to pass due to traffic in the left lane and was unable to slow down before rear ending the asphalt truck in front of him. No injuries were reported. The right lane of eastbound I90 was completely blocked and the left lane had partial blockage for approximately two hours.
