

Election Deadlines Near For November 4 Ballot

Kootenai County Chief Deputy Clerk Pat Raffee announced today that some election deadlines occur right after the Labor Day holiday weekend.

“Candidates who wish to run for North Idaho College Trustee or for Kootenai/Shoshone Soil & Water Conservation District Supervisor must file by 5PM Tuesday, September 2,” said Raffee. She noted that two NIC Trustee seats are open, and three Supervisor seats are available with the Soil & Water Conservation District.

Candidates must file their paperwork *with the taxing districts*, she added. Both entities have offices in Coeur d’Alene. Candidate declaration forms are available from those taxing district offices, from the Elections office at 1808 N. Third Street in Coeur d’Alene, or online at
