

Post Falls Police Department activities report – 9.22-23.14

Night Shift:

Night shift officers had a steady shift responding to disturbances, DUI calls, prowlers, and citizen assists. Some notable calls for the night:

Suicide Attempt/Protective Custody - Officers were dispatched to report of a suicidal 17 year old male who stated he had chugged a bottle of mouth wash and liquid Nyquil and took an unknown amount of Dramamine. An officer located this male and as the officer exited his patrol vehicle the male jumped onto the hood of the patrol car, causing a dent in the hood, and then jumped onto the roof and the trunk. The male was removed off of the vehicle and placed into handcuffs, while continuously asking the officers to shoot him. He was transported to the hospital on a PC hold.

Trespassing - Officers were dispatched to Ady's for an intoxicated male who was passed out with a bottle in his hand. It was determined the male had stolen a bottle of wine from the store; however, the store did not wish to prosecute. The male was trespassed from the store and told not to return. Approximately an hour later officers were dispatched to the area of Taco Bell for the same male. When they arrived they found the male laying by the front doors of Ady's again. The male stated he forgot he had been trespassed. He was taken into custody.

Traffic Offense on E Seltice Way - Vehicle was stopped due to a non-functioning headlight. The driver had an invalid Idaho drivers license, which she admitted to knowing. She was cited and released for failure to purchase a driver's license/Invalid.

Domestic Battery at The Falls Club - An officer out on patrol observed a female lying on the ground by a vehicle with a male standing over her. He then observed the male kick the female while she was still on the ground. The officer made contact where a witness stated the male had kicked the female in the face. Both parties were highly intoxicated and the male was taken into custody for domestic battery.
