**KC-1416-012**

### **Preamble**

Whereas, Larry Craig accurately and voluntarily pled guilty to a charge related to indecent behavior while acting in his capacity as a Senator representing Idaho; and

Whereas, This improper conduct was then compounded by Mr. Craig's decision to attempt to use his position as a Senator to obtain special treatment by law enforcement; and

Whereas, Mr. Craig's improper conduct was further compounded when he reversed his decision to resign from office; and

Whereas, Mr. Craig's improper conduct was even further compounded when he attempted to use campaign funds to finance his legal defense; and

Whereas, The Senate Ethics Committee stated that Mr. Craig's improper conduct reflected discreditably on the United States Senate; and

Whereas, Idaho Republican Party Chairman Stephen Yates has chosen to overlook Larry Craig's improper conduct and has appointed him to serve on the Idaho Republican Party's executive committee, as Finance Chair; therefore

### **Main Motion**
