

Coeur d'Alene Police Department saves Christmas

On 12/08/14 an auto burglary report was filed with the Coeur d'Alene Police Department by Christina Rose, the mother of a 5 year old girl, and a 6 year old boy. She reported receiving Christmas presents from the local Toys for Tots for her childrens' Christmas. After receiving the presents she went to work, leaving the presents secured in her vehicle. When she left work her vehicle had been broken into and all of the presents for her children had been stolen.

Detective Tom Sudol who was assigned the case for investigation contacted the Coeur d'Alene Police Officers Association about this family and immediately secured a donation. The local Toys for Tots immediately replenished the Christmas presents that had been stolen as well. The Coeur d'Alene Police Officer's Association wanted to also help this family have a more enjoyable Christmas. Christina was presented with a gift card that would allow her to purchase additional Christmas presents and food for her family during the Holidays.
