

Post Falls Police Department activities report – 12.11.14

Graveyard Log:

Hit and Run/DUI, Idaho/Poleline

Initially called in as a hit and run RP gave description of a older model green Jeep Cherokee that came through the roundabout at Poleline and Idaho at a high rate of speed. RP continued saying driver lost control of the vehicle running over a street sign and then went through a fence and almost hit the house. RP stated the vehicle then reversed hitting an unknown vehicle and left the scene westbound on Poleline. Another RP came forward and advised the Jeep Cherokee left the front bumper in the back yard of the fence he went through and the plate was still attached. Officers responded to the residence where the plate returned and a short time later the vehicle matching the description and missing its front bumper arrived. Male was contacted and put through SFSTs, and ultimately failed. Driver was taken to PSB and booked for Hit and Run and DUI second offense.

Hit and Run/DUI/Possession Paraphernalia/No insurance, E Seltice Way

This started as an ATL out of CDA for a red chevy truck that had run into the guard rail at Northwest Blvd in CDA. Ofc. Eismann located the truck exiting I90 at mile post 7 and proceeded south on Hwy 41. Ofc. Eismann was able to confirm the description of the truck, license plate, and fresh damage to the front of the truck. Ofc. Eismann conducted a traffic stop at the above mentioned location making contact with the male driver. Ofc. Smith responded to his location to complete a DUI investigation. Male driver was asked to complete the SFSTs and only completed part of them before he said he would no longer cooperate and requested an attorney. Male was taken into custody for DUI, transported to PSB and booked for Hit and Run/DUI/Possession Paraphernalia and cited for no insurance. Paraphernalia was found in the male's truck during inventory.

DUI, Idaho/Medical Ct

Male driver was stopped at above mentioned location for failure to maintain lane of travel. Upon initial contact with the male driver I could smell the odor of an alcoholic beverage coming from the vehicle and the male driver admitted to having 3 mixed drinks. Ofc. Koontz arrived at my location to conduct the DUI investigation. Ofc. Koontz put the male driver through SFSTs which he failed. Male driver was taken into custody for DUI and transported to PSB where he was booked for second offense DUI.

Swing Shift (Wednesday):

A report was taken after a citizen tracked a UPS package that showed delivered to their mailbox and now was missing. There are no suspects at this time.

A handgun was recovered after a call was received by an individual advising they had a handgun in their possession they believe was stolen. Officers responded and confirmed the gun was stolen.

A report was taken after an auto burglary was reported in the area of N. Top Flight Dr. Two

vehicles were gone through and the items missing included \$0.85 in change, a gerber knife, red cellphone speaker & jewelry.

A few other minor calls were handled however, nothing further to report.

Day Shift (Wednesday):

Citizens Assist/Found property: A female went to a local pawn shop and attempted to pawn a pressure washer, when questioned about the item she walked away leaving it behind.

Civil Standby: a property owner requested an officer to standby while civil papers were served. The other party refused to answer the door and the papers were not served.

Intoxicated Person: The Post Office requested officers to respond in order to assist a male to leave the premises due to his level of intoxication. The male left voluntarily before officers arrived.

Malicious Injury: Grass near Calvary Lutheran has been damaged, unknown what caused the damage; the Pastor believes that its possible busses are what caused the damage.
