Officers arrived on scene and made contact with her, she was fine and in good health. She did not want to return home and we advised the RP we could not force her to return home due to her being an adult. The reporting agency was notified and she was removed from NCIC.

Shoplifter - Walmart west reported two suspects inside the store who were suspects from an earlier case. The suspects were currently inside eating deli food and concealing items inside their clothing. The reporting party did not have a list of the items taken at the time of this report. The suspects left the store prior to our arrival.

Warrant arrest - We received a call from the Kootenai County Prosecutors Office that a 9 year old boy failed to show up for court so they issued a warrant for his arrest. The warrant stemmed from the child stealing a pack of gum at a local grocery store. The child was taken into custody and transported to JDC for booking.

Warrant arrest - We received a call from the Kootenai County Prosecutor that a 15 year old boy living at the same residence as the 9 year old boy also had a confirmed warrant for his arrest; however, the first time officers arrived on scene the 15 year old had left the house. Once he returned, officers responded back to the same residence and took him into custody on an active warrant because he failed to show up for court as well.
