

RESOLUTION

In Support of Anna Smith

KC-1416-017

Preamble

Whereas, The Federal Government's bulk collection of the telephone records of millions of innocent Americans as authorized by section 215 of the USA PATRIOT Act is an unconstitutional violation against the people of Kootenai County; and

Whereas, Local Kootenai County resident Anna Smith has challenged this threat to liberty by filing suit against President Obama and the National Security Agency (NSA); and

Whereas, Smith has argued the data collection has violated her Fourth Amendment rights by collecting a wealth of detail about her familial, political, professional, religious and intimate associations; and

Whereas, The stand taken by Anna Smith in defending her right to be secure from unreasonable searches helps preserve the liberty of all Idahoans; therefore

Main Motion

Resolved, That the Kootenai County Republican Central Committee strongly applauds the actions of Anna Smith; and

Resolved, That the KCRCC urges Representative Raul Labrador to vote against reauthorizing Section 215 of the USA PATRIOT Act so that the provision expires June 1st, 2015, as planned.
