### **Facebook Tips Help Identify Burglary Suspect**

Post Falls, ID – On February 2, 2015 about 3:40a.m., someone threw a rock through the entrance door at Frontier Grocery on W. Seltice Way in Post Falls. The male suspect then entered the store and stole several cartons of cigarettes. He appeared to be wearing a hooded sweatshirt under a long sleeve shirt, dark pants, and red shoes. He was wearing a facemask and also had tape around his head to hold the hood in place. The male was last seen running north from Frontier Grocery into Maranatha Trailer Park.

Yesterday afternoon, Post Falls Police posted a surveillance video to their Facebook page and a website link to several photographs of the burglary suspect, requesting any information to help identify the unknown male.

Based upon citizen tips from the Facebook post, detectives responded to a male suspect's residence with his probation officer this morning. Evidence was found linking 22-year-old Dylan Guthrie of Post Falls to the burglary, and he was taken into custody.

The Post Falls Police Department would like to thank all the loyal Facebook followers and, specifically, the ones who took time to provide information that solved this burglary. (kv)
