

Post Falls PD Day Shift – 4.5.15

15PF06342: Warrant Arrest

A citizen called to report his daughter, who was currently at his residence, had a warrant for her arrest. Upon arrival, officers made contact with the caller's daughter, as well as a second juvenile female (who was a friend of the caller's daughter). Officers discovered both girls had active warrants for their arrest. Both females were taken into custody and transported to the Juvenile Detention Center.

15PF06350: DUI

Multiple citizens called to report a woman who was in a local business was acting strange, walking funny and preparing to drive away. The female then got into her vehicle and drove across the street to another business, where she continued to drive in circles in the parking lot until officers arrived. Once officers arrived on scene and stopped the vehicle, they made contact with the female driver who turned out to have a warrant for her arrest. The driver then failed field sobriety tests. The female was taken into custody and transported to the jail.

15PF06353: Welfare Check/Drugs

An employee from a local hotel requested a welfare check on a female who had just checked out of her room. The female was acting strange, then began throwing items around in the parking lot. As the employee was on the phone, the female began to walk away from that location in search of the vehicle she previously parked and was now unable to locate. Officers made contact with the female who stated she had been staying at the hotel to "cleanse herself with God from life and tobacco". The female stated she was trying to find her car so she could find another location to stay that was clean. She was given a ride back to the hotel because (surprise!) that was where her vehicle was located. Prior to being given a ride, she was searched for weapons and marijuana was located in one of the bags she had been carrying. The female was issued a citation and released at the scene.
