

## Post Falls PD Swing Shift (May 19):

Medical call at Wal-mart west. R/P called 911 and stated they observed a male in his early 20's laying on the ground and he was not responding when they tried wake him up. Officers arrived on scene and the male finally woke up and stated he was fine. The male was Identified and released after it was determined he was okay.

Agency Assist I-90 mile marker 1. ISP stopped a stolen vehicle and requested PF units stop traffic on I-90 while they took the driver into custody.

BOSS Hit Stateline Area. Dispatch advised an RV passed through the system and it was showing a stolen license plate. The RV was described as older, tan in color, possibly a Winnebago. Officers searched the area and were UTL.

Property damage accident at N. Spokane street involving two vehicles. Nobody was injured and the vehicles moved into the parking lot of the Oval Office to await L.E.

Theft at N. Pleasant view Road. Owner called to report items being stolen from business. Officers responded and took a report.

Mal-injury at N. Sand Trap Way. Officers responded to a residential alarm at this address. Once on scene, officers discovered a broken window in the backyard that faces Prairie Falls Golf Course. Upon on further inspection, Officers located a golf ball next to the window. A report was taken at this time.

These were the highlight calls but officers responded to a lot of citizen assist, suspicious calls, medial calls, alarms, welfare checks, animal problems etc..very busy shift.
