Prior to that, I worked as a Title and Escrow officer for 7 years and was in the dental field for 12 years. In 2009, I was chosen to represent the Women of Idaho at a conference in Washington, DC. I was nominated by Senator Joyce Broadsword and appointed by Governor Otter. I have been Kootenai County Relay for Life Lead. I have taught ski lessons at Lookout Pass.

Currently:

- Legislative Liaison for Kootenai County for the American Cancer Society CAN
- Secretary of the Kootenai County Republican Women.
- Coeur d Alene Lions member.

I love where we live and have no intention to leave.

In my spare time,. we boat, camp, hike and snow ski.

I am a Conservative Republican. Supporting the Republican platform and the Republicans in office is very important. We shouldn't be picking and choosing what benefits us. I am uncertain how a Libertarian and or a Constitutionalist can call themselves Republicans. It still baffles me. As a precinct committeeman, I don't think putting forth ridiculous resolutions and trying to solve US or world problems should be your goal. The definition of a precinct committeeman is well defined and needs to be followed.

A Republican Precinct Committeeman represents the GOP voters of his or her precinct at the County Republican Party level.

I honestly don't want the man who is in my precinct captain to represent me. His beliefs and mine are two different things and he should be listening to his precinct. That is why I am stepping up and I will be going door to door, along with my 13-year-old son, in my precinct, to hear what the Republican voters are saying and to give them the resources to help, when needed. You really have to ask yourself whether he has been at your doorstep or available by phone, and whether he has helped you in any way. Sometimes the power goes to one's head, which doesn't do anything to help the REPUBLICAN voters in a precinct.
