THOMAS R. FALLQUIST
SPOKANE COUNTY CLERK

Dear Mr. or Mrs. County Clerk: 3/2/06
Hi My Name is Michael Darryl LAFFERTY
My case # is 05-1-028541.
I was told from my PD that I needed
to write you and tell you that
I am still incarcerated at the Eiger
Corrections Center and will continue
to be until after the fifteenth
of March, My first payment on
my fines is due on the 3rd of
March and there is no way I will
be able to pay you guys anything
until I get out and the only money
I get is SSI and I think I lost my SSI,
I was wondering if I can get a continuance
on my fines until after I get out of
Eiger and until I get a job or my
SSI back? I think my mom might
have sent some money to you guys but
I am not sure? If you have any questions
please contact my Public Defender Mark Hamill
@ 509-429-4296 or you can reach my mother
Joe-Ann Adams @ (509) 771-7475

Thank you sincerely yours,

Mike Lafferty

To who it may concern. I will be starting work real soon. I haven't paid any restitution in the last 4-5 month because of a drug addiction. I'm trying to learn to live without drugs. So i can find my way back on track. I'll need only a little more time. Thats all i ask from you. Once back on track again, hopefully with alot more preying and getting use to diffrent habbits so i can hold down a job. And take care of all my responsibilities. I know i ow alot. And need to pay. I understand that i can or will do alot of jail time. And would probubly be what the prossicuter attorney or judge will settle for. And i'm back where i started. The same fight for my life back. Face to face with the same demon that had took controle of my life. On outside. This is something that only kennie patrick will half to do. on his own. And alot of luck and faith that god will give me the strength i need to live the rest of my days thats left in this society. I'm sorry for the not able to focus on making somekind of payment. And not staying in contact with the clerks of spokane county. Theres only one reason why. one excuse. Thats i'm a addic trying my best to learn how to live another life that i ran from for 26 years. Fines will be paid. And i will keep on making somekind of efford making them with no excuses. thank you.

sencerly, Kennie c Patrick
