In an effort to quickly and accurately release information to the public and the media, the Post Falls Police Department has developed an automated alerting system. The Department will begin disseminating press releases and other important information through this alerting service called the "*PFPD Email Dispatch*".

The public and media are encouraged to sign up for this free service to receive automatic email notifications of press releases and miscellaneous information on our Block Watch program, Animal Safety Division, OASIS program, general news, and emergencies. Beginning January 1, 2010, the Post Falls Police Department will release press information only through this free service.

To sign up for this free service, visit our website at [www.postfallspolice.com](http://www.postfallspolice.com) and look for the link on the home page. Click on the *PFPD Email Dispatch* button on the upper right side of the homepage, enter your email address, choose what kind of information you are interested in receiving, and save to complete the process. Questions about this new process can be directed to Carrie Wade, at the Post Falls Police Department. She can be reached at [cwade@postfallspolice.com](mailto:cwade@postfallspolice.com) or (208) 773-3517.
