

RESOLUTION NO. 2010 - 0048

A RESOLUTION REQUESTING THE SPOKANE COUNTY AUDITOR TO HOLD A SPECIAL ELECTION ON NOVEMBER 2, 2010 IN CONJUNCTION WITH THE SCHEDULED STATE GENERAL ELECTION TO SUBMIT TO THE VOTERS OF THE CITY OF SPOKANE A PROPOSITION IN REGARDS TO THE CREATION OF THE SPOKANE CHILDREN'S INVESTMENT FUND LEVY FOR FAMILIES AND YOUTH AND DECLARING AN EMERGENCY.

WHEREAS, pursuant to Sections 82 of the City Charter, an initiative regarding proposed legislation or measure may be submitted to popular vote for adoption or rejection;

WHEREAS, pursuant to Section 84 of the City Charter, the City Council, of its own motion, may submit to popular vote for adoption or rejection at any election, any proposed ordinance or measure;

WHEREAS, on January 28, 2010, the Spokane Children's Invest Fund filed with the City Clerk's Office an initiative designated as Initiative No. 2010-01;

WHEREAS, the ballot title for Initiative No. 2010-01 was stated as follows:

Shall the regular property tax levy be increased in excess of limitations of state law for six years, beginning 2011, by 35¢ per \$1,000 of assessed value the first year, subsequent year increases to be measured by the implicit price deflator, to fund family and youth services including early childhood education and intervention, child abuse prevention, mentoring and after-school programs, the final year levy to be used for calculating the limit for future levy increases?

WHEREAS, on June 24, 2010 and July 1, 2010, the Spokane Children's Investment Fund filed with the City Clerk's Office the petition signatures for Initiative No. 2010-01;

WHEREAS, pursuant to SMC 2.02.080, the City Council held a hearing and first reading on July 12, 2010 for Initiative No. 2010-01, designated by the City Council as Ordinance No. C- 34636;

WHEREAS, on July 20, 2010, the Spokane County Elections Office confirmed that Initiative No. 2010-01 satisfied the required number of valid signatures of registered voters as required by Section 82 of the City Charter;

WHEREAS, pursuant to SMC 2.02.100 the City Council held a hearing on August 2, 2010 on the validated initiative petition where Ordinance No. C-34636 was given a second and final reading;

WHEREAS, pursuant to sections 82 and 84, the City Council has determined an emergency exists pursuant to RCW 29A.04.330 to call for an election as set forth in this resolution; and

WHEREAS, RCW 29A.04.330 requires the City to transmit to the Spokane County Auditor eighty-four days prior to the election date a resolution calling for a special election.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Spokane, pursuant to Section 82 of the City Charter,

1) that the Spokane County Auditor is hereby requested pursuant to RCW 29A.04.330 to hold a special election on November 2, 2010 in conjunction with the scheduled state general election for the purpose of submitting to the voters of the City of Spokane for their approval or rejection a property tax levy for family and youth services for the years 2011 through 2016.

2) that the following proposition be submitted in the following form:

PROPOSITION NO. 1

CITY OF SPOKANE

CREATE SPOKANE CHILDREN'S INVESTMENT FUND LEVY  
FOR FAMILIES AND YOUTH

Initiative No. 2010-01, as set forth in Ordinance No. C-34636, proposes to increase the regular property tax levy in excess of limitations of state law for six years, beginning 2011, by 35¢ per \$1,000 of assessed value the first year, to fund family and youth services including early childhood education and intervention, child abuse prevention, mentoring and after-school programs, the final year levy to be used for calculating the limit for future levy increases.

Should this measure be enacted into law?

Yes .....

No .....

3) that for the reasons stated above, an emergency exists to submit this measure to the voters of the City of Spokane.

4) that the City Clerk is directed to deliver a certified copy of this resolution and Ordinance No. C-34636 to the Spokane County Auditor no later than August 10, 2010.

NOW, THEREFORE, BE IT FURTHER RESOLVED by the City Council of the City of Spokane that, pursuant to Section 84 of the City Charter, the above-cited property tax levy measure be submitted to the voters of the City of Spokane for their approval or rejection a property tax levy for family and youth services for the years 2011 through 2016 as set forth in the above recitation.

Adopted August 2, 2010

Under Washington State law every person who signs an initiative or referendum petition with any other than his or her true name, knowingly signs more than once, or signs when he or she is not a legal voter; or signs a petition when he or she is otherwise not qualified to sign, or who makes any false statement on such petition may be guilty of a misdemeanor.

Initiative Petition to the Spokane City Council

INITIATIVE NO. 2010 – 01

**CREATE SPOKANE CHILDREN'S INVESTMENT FUND LEVY  
FOR FAMILIES AND YOUTH**

We, the undersigned citizens and legal voters of the City of Spokane, Washington, respectfully direct that this proposed ordinance, known as Initiative No. 2010 – 01, a full, true, and correct copy of which is printed herein, be passed without alterations by the Spokane City Council, or be submitted to the electors of the City of Spokane for their approval or rejections at the next available special or general municipal election. If submitted to election, the proposed ordinance shall appear as the following proposition.

Ballot Title

PROPOSITION NO. 1

CITY OF SPOKANE

**CREATE SPOKANE CHILDREN'S INVESTMENT FUND LEVY  
FOR FAMILIES AND YOUTH**

Initiative No. 2010-01, as set forth in Ordinance No. C-34636, proposes to increase the regular property tax levy in excess of limitations of state law for six years, beginning 2011, by 35¢ per \$1,000 of assessed value the first year, to fund family and youth services including early childhood education and intervention, child abuse prevention, mentoring and after-school programs, the final year levy to be used for calculating the limit for future levy increases.

Should this measure be enacted into law?

Yes .....   
No .....

Each of us for himself or herself says: I have personally signed this petition; I am a legal voter of the City of Spokane; my residence address is correctly stated; and I have knowingly signed this petition only once.

Revised 7/29/10  
ORD C34636

## Summary of Measure

### THE LAW AS IT CURRENTLY EXISTS:

The City annually sets a regular property tax levy. State law limits annual increases to the lower of 101% of the prior year's levy or rate of inflation. Voters may approve a higher rate by simple majority. The City has no established funding to provide early childhood education and intervention, child abuse prevention, mentoring and after-school programs.

### THE EFFECT OF THE PROPOSAL, IF APPROVED:

This initiative authorizes increasing the annual levy above the state limit for six years. For the first year, it is 35¢ per \$1,000 of assessed value. Then increases would be governed by the implicit price deflator. Funds would be used to provide family and youth services, including early childhood education and intervention, child abuse prevention, mentoring and after-school programs. Service providers would be selected from applications to a Citizen's Oversight Committee. When the levy expires, the state limit resumes, starting with the amount of the final levy year for calculating future levies.

ORDINANCE NO. C- 34636

CREATE SPOKANE CHILDREN'S INVESTMENT FUND LEVY  
FOR FAMILIES AND YOUTH

An ordinance of the City of Spokane, Washington, relating to regular property taxes; providing for the submission to the qualified electors of the City at a special election called for pursuant to RCW 29A.04.330(2), of a proposition authorizing the City to levy regular property taxes in excess of the limitations on regular property taxes for up to six years in the amount of 35¢ per \$1,000 of assessed value for the first year, subsequent year increases to be measured by the implicit price deflator, and the final year levy amount to be used for calculating the limit for future levy increases. The funds raised shall be used for the purpose of providing City services, including providing Spokane youth and their families with early childhood learning, child abuse and neglect, after-school and mentoring services; authorizing the creation of a new fund; creating an oversight committee; and authorizing implementing agreements designating the City Attorney to receive notice of the ballot title from the Spokane County Auditor; declaring an emergency; and providing for other matters related thereto.

THE CITY OF SPOKANE DOES ORDAIN

**Section 1. Findings.** The following findings are incorporated in support of this ordinance.

A. The City of Spokane believes that the current high school dropout rate of 40%, (2008 – 2009 school year, as reported by the Washington State Office of Public Instruction), is a serious problem for our community now and in the future. The high school dropout rate is one of the most important measures of the success of our children and youth. In order to reduce the high school dropout rate and help more of our children and youth succeed in school and in life, the City of Spokane believes that additional sustainable funding is required to support programs designed to: help children arrive at school ready to learn; provide safe and constructive after-school alternatives for kids; prevent child abuse, neglect and family violence; and increase the likelihood that children and youth will become healthy, productive citizens in our community. These programs are described in Section 5 of this ordinance.

B. The services to be funded with proceeds are intended to support dropout prevention, student academic achievement, and helping children and youth succeed in school and in life. The services are supplemental to the basic education financed by the State of Washington and will not displace or reduce state funding for the public schools in the Spokane School District.

## **Section 2. Definitions.**

As used in this ordinance, the following words have the following meanings:

- A. "Central Administrative Support" means the City's administration and oversight of the expenditure of proceeds and monitoring the overall effectiveness of the youth services funded with the proceeds, and identifying unmet needs for future services.
- B. "City" means The City of Spokane.
- C. "Proceeds" means that portion of regular property taxes levied and collected as authorized by voter approval pursuant to this ordinance and all interest and other earnings thereon, all of which shall be deposited in the "2010 Spokane Children's Investment Fund."
- D. "Spokane School District" and "School District" mean Spokane School District No. 81.
- E. "Youth Services" means the array of programs and activities referred to in Section 5.

## **Section 3. Levy of Regular Property Taxes - Submittal.**

The City hereby submits to the qualified electors of the City a proposition as authorized by RCW 84.55.050 to exceed the limitations on regular property taxes contained in Chapter 84.55 RCW as it now exists or may hereafter be amended by 35¢ per \$1,000 assessed value for property taxes levied in 2011, levy increases through 2016 thereafter measured by the implicit price deflator, for collection in 2011 through 2016, respectively. This proposition would allow raising an estimated \$5,000,000 per year, or \$30,000,000 in aggregate over a period of six years solely to provide Youth Services for Spokane youth, and their families. The total amount raised will not be limited to \$5,000,000 per year. The amount raised will be the total amount of the assessment in each of the six years.

## **Section 4. Application of Proceeds.**

There is hereby created a Spokane Children's Investment Fund. The proceeds shall be deposited by the City Treasury into a special 2010 Spokane Children's Investment Fund (the "Fund"). Moneys in the Fund may be temporarily deposited or invested in such manner as may be lawful for the investment of City money and interest and other earnings shall be deposited in the Fund. The principal proceeds and any interest or other earnings from their deposit or investment shall be applied solely for youth services.

Proceeds and appropriations unexpended at the end of any budget year shall automatically be carried over to the next budget year.

## **Section 5. Youth Services Defined**

### **WHERE WE FUND**

Our investments will be felt throughout the city of Spokane: in preschools, home-based childcares, elementary, middle and high schools, community centers, nonprofit organizations, soccer fields, basketball courts, music auditoriums and parks. In all parts of the city and scores of neighborhoods, Spokane's children will benefit from the breadth and depth of the proven programs in which we invest. These programs include evidence based, best practice and proven programs with measureable results.

### **WHY WE FUND**

A majority of the children we serve come from low income households. The hurdles they must overcome include low expectations, despair and a lack of opportunity that comes with poverty, abuse and neglect, homelessness, exposure to domestic violence and risky behaviors such as drug and alcohol abuse.

### **WHO WE FUND**

Organizations will receive funding through a competitive process and must have a track record of success. They must be cost effective and achieve positive results for children. All funded programs will be monitored by staff and are subject to regular site visits and performance assessments. A Citizen's Oversight Committee will meet publicly to make funding decisions.

Youth services funded by proceeds are services designed to help address the needs of Spokane's children and their families, with the intent of promoting learning, supporting academic achievement, promoting healthy and productive life habits, increasing access to services, and the administration of those services. Youth services shall be provided through the following four program areas:

1. Early childhood education and intervention. These programs offer early education, early intervention, parenting education, and family support so Spokane's at-risk children reach kindergarten prepared to succeed.
2. Child abuse prevention. These programs reach children affected by neglect, family violence, parental drug and alcohol use and homelessness. They also support stressed families most at-risk for abuse and neglect by providing intensive case management, therapy, counseling, respite care and parent education.
3. After-School Programs. Safe and constructive after-school programs to promote academic achievement and increase children's engagement in school

4. Mentoring. Proven successful mentoring programs that provide positive role models for children

After-school and mentoring programs provide at-risk children with safe, constructive activities that promote academic achievement and provide positive and consistent adult and peer role models. These programs increase children's engagement in school and reduce the number of youth victimized by or participating in crime.

The specific youth services organizations and the specific programs that will be recipients of grants from this Fund will be determined by the Citizen's Oversight Committee.

### **Section 6. Citizen's Oversight Committee.**

Conditioned upon voter approval of the ballot proposition submitted by this ordinance, there is established a Citizen's Oversight Committee to review and make recommendations to the City Council regarding the expenditure of proceeds, to advise upon expenditures and allocations for the following year, and to make recommendations on the implementation of particular programs, on any reallocations of proceeds, and on evaluations.

The Citizen's Oversight Committee which shall consist of eleven volunteer members to assist the City to oversee the administration and implementation of the Children's Investment Fund. One member shall be a member of the City Council. One member shall be an appointed representative of the business community in the City of Spokane. One member shall be from the juvenile justice system. One member shall be a representative of the Spokane Public Schools. One member shall be a representative from a provider of child and youth services in the City of Spokane. Two members shall be from minority communities most affected by high dropout rates. In addition, there will be 4 at-large members. The at-large members will include a mix of people with expertise in child and youth development and services, representatives from minority communities, teachers and school counselors, and representatives from educational institutions. At least one must be a youth under the age of 18. The board must be properly balanced between the five high school zones.

All members of the initial Citizen's Oversight Committee members shall be nominated by the mayor and appointed by the Spokane City Council. The application process must reflect the need to appoint committee members that will be representative of communities and youth being served. Subsequent Citizen's Oversight Committee members shall be recommended for nomination to the mayor by the previous Citizen's Oversight Committee, with approval of appointment by the Spokane City Council, with the exception of a member of the City of Spokane, who will continue to be selected by the Spokane City Council.

A. Terms.

Members shall serve on the Citizen's Oversight Committee for two years from the time of their appointment. Members may be reappointed for a second two year term. After two consecutive two year terms, a member must wait two years before being eligible for another term on the Citizen's Oversight Committee. The initial eleven individuals shall be appointed to staggered terms. Six members shall be appointed to two year terms and five shall be appointed to one year terms. A one year appointment shall not be counted toward the two consecutive two year term limitation.

B. Conflicts.

1. No member shall vote on a funding request for an organization on which that member serves on the Board of Directors or as an employee, or has a significant relationship with key staff in the organization.
2. No member may accept, on his or her own behalf, or on behalf of the Citizen's Oversight Committee any contribution, gift, bequest or devise valued (including tickets to social events, fundraisers and other similar activities), from any organization, or any individual representing an organization, that is currently seeking funding from the Citizen's Oversight Committee, or which that member knows will in the future seek funding from the Citizen's Oversight Committee.

Service on the Citizen's Oversight Committee is a voluntary action and shall not result in monetary compensation for any member.

Expenditures from the Fund for administrative oversight by the City shall not in any budget year exceed a total of five percent of that year's total expenditure authority from the Fund.

**Section 7. Implementation and Evaluation Plan.**

The Spokane Children's Investment Fund is committed to maintaining an open public process and conducting business with complete transparency. The Request for Investment (RFI) process from the Spokane Children's Investment Fund includes significant public input. Community gatherings will provide direction for each round of funding, allowing the staff and the Citizen's Oversight Committee to receive input from various stakeholder groups about the community's investment priorities and the best approach for developing the RFI. Throughout the creation of the RFI's, the Citizen's Oversight Committee will incorporate public input. The Citizen's Oversight Committee will actively go out into the community and solicit feedback. This feedback will include, but is not limited to culturally specific practices, specific needs for specific neighborhoods and visiting multiple venues in each neighborhood. This includes going to where the youth are and soliciting youth input as well. The published RFI's will be a reflection of comprehensive community involvement and feedback. In addition, staff

and the Citizen's Oversight Committee will continually monitor and incorporate any research about community needs, publications about best practices for services, or any other information that will help make the invested funds have the highest positive impact on the community as possible. At the end of each round of funding the Oversight Committee must go back to the community to explain funding decisions and solicit further feedback.

Upon public distribution of the RFI in each funding round, the provider community will have 120 days to complete the application process and submit proposals. Proposals will be disseminated to volunteer teams of community and academic reviewers who will score them against pre-determined criteria, which will be shaped through public input, potential for positive measureable results, and research based information about best practices. In addition to reviewer scores, staff will also provide information for the Citizen's Oversight Committee about other pertinent application details, including populations served, geographic area(s) served, and the percent of organization's overall budget represented by the proposal. The reviewer scores, along with the additional application information, will help the Citizen's Oversight Committee make the final decisions about which programs to recommend for investments and in what amounts. Those recommendations will then be presented to the Spokane City Council for approval.

### **Policies and Procedures for Program Investments**

The RFI will typically include five basic sections that applicants must respond to in requesting investments:

- 1. *Program Design:*** asks applicants to describe the proposed program including the number of children to be served, the services provided, the number of hours of service per child per month, the cost per child, the target population and the geographic service area.
- 2. *Program Effectiveness and Evaluation:*** asks applicants to select a group of outcomes planned for tracking by selecting from a list of common outcomes identified by the Spokane Children's Investment Fund , then seeks a description of data collection and evaluation methods including how the program will track participation and referrals. It also asks that applicants provide evidence of the program's effectiveness.
- 3. *Program Budget and Budget Narrative:*** asks applicants to provide a program budget and a narrative justifying it; budget information requested includes a list of all staff paid in full or in part by Spokane Children's Investment Fund funds, all contracted services, program materials and supplies and all administrative expenses funded by the Levy. All administrative expenses must be listed by line item. Applicants must also provide a budget and budget narrative for all program years for which funding is requested.

**4. Organizational Capacity:** asks applicants to describe the organization's track record in providing the type of service or actual service it proposes to provide to the population it proposes to serve.

**5. Culturally Competent Services/Culturally Significant Services:** Applicants will include a demographic breakdown of the population(s) served, the staff and the board of the organization. It seeks discussion of the applicant's cultural specificity/competency with staff training, program materials and resources that accommodate population(s) served as well as how the organization tracks the participation of different populations served and how it reaches different cultural communities.

### **Investment Amounts and Duration**

Annual individual investment request per organization is capped at \$500,000; annual minimum investment request: \$50,000.

The annual funding provided to any one organization by the Spokane Children's Investment Fund must not exceed 50 percent of the grantee's annual organizational revenues for that period. This includes funding from all the Investment Fund both present and proposed. The RFI requires that applicants submit evidence of organizational revenues from its last closed fiscal year and its current fiscal year.

The new funding round will include a three year grant duration and a three year renewal period based on evidence of good performance creating the positive results proposed in the original grant.

The Spokane Children's Investment Fund will support program evaluation as a means of evaluating the investment of public funds. Each grantee will be required to demonstrate measureable results of their programs which will ultimately meet the overriding goals of the Spokane Children's Investment Fund. Grantees will be required to track client and program data which demonstrates results and progress at least annually. Outcomes reports will also be used to aggregate grantee data and monitor the overall Fund progress.

The financial management of the Children's Investment Fund will be under the direction of the City's Treasurer's Office. The administration of the fund will be under the City's Human Services Department. The Human Services Department's sole responsibility will be to implement, evaluate and manage the Children's Investment Fund as well as provide support to the Citizen's Oversight Committee. The total cost to the City of the management and administration shall be paid for from the property tax levy and is mandated to be limited to no more than five (5) percent of the total annual value of the Fund.

## **Section 8. Implementing Agreements.**

If this proposition is approved by the voters, the City will carry out the Spokane Children's Investment Fund process with the Human Services Department staff and with such other agencies and persons as may be appropriate. The Mayor's designee is authorized to enter into such agreements, consistent with Section 9 below. The City will, when soliciting businesses for goods or services agreements, perform outreach to small, economically disadvantaged businesses, including those owned by women and minorities. City agreements with other public entities will encourage those entities to actively solicit bids for the subcontracting of any goods or services, when such subcontracting is required or appropriate, from qualified small businesses, including those owned by women and minorities. City agreements with businesses for goods and services and with other public entities and non-profits will encourage these entities to employ a workforce reflective of the region's diversity. All City agreements for goods and services will require the contracting entities to comply with all then-applicable requirements for non-discrimination in employment in federal, state, and City of Spokane laws and regulations.

## **Section 9. City of Spokane/Spokane School District Partnership Agreement.**

There shall be a Partnership Agreement ("the Partnership Agreement") developed by the City and the Spokane School District in which the roles and responsibilities of the City and in developing the Implementation and Evaluation Plan, referenced in Section 7. The Partnership Agreement will set forth the parties' roles and responsibilities for achieving the Children's Investment Fund's desired outcomes. The Partnership Agreement may cover items including, but not limited to: data sharing necessary to implement program evaluations; facility use, and evaluating the feasibility of developing and implementing a school-readiness measurement system.

The City cannot enter into the Partnership Agreement, or materially amend the Partnership Agreement, until the Partnership Agreement or the amendment, as the case may be, is approved by the Spokane City Council and the Spokane School Board.

## **Section 10. Reporting.**

The Director of the Human Services Department will prepare and submit to the City Council and the Mayor annual progress reports on the implementation of the Youth Services covering each of the program components.

## **Section 11. Election - Ballot Title.**

The Spokane County Auditor, as ex officio supervisor of elections, is hereby requested to conduct a special election, which the City shall hereby call pursuant to RCW 84.55.050, to be held on an election date as requested by the City Council pursuant to RCW 29A.04.330 (2), for the purpose of submitting to the qualified electors of the City the proposition set forth below.

The City Clerk is hereby authorized and directed to certify the proposition to the Spokane County Auditor, not less than the prescribed number of days prior to the desired election date as set forth in RCW 29A.04.330(2), in the following form or as modified by the City Attorney pursuant to RCW 29A.36.071:

PROPOSITION NO. 1

CITY OF SPOKANE

CREATE SPOKANE CHILDREN'S INVESTMENT FUND LEVY FOR FAMILIES AND YOUTH

Initiative No. 2010-01, as set forth in Ordinance No. C-34636, proposes to increase the regular property tax levy in excess of limitations of state law for six years, beginning 2011, by 35¢ per \$1,000 of assessed value the first year, to fund family and youth services including early childhood education and intervention, child abuse prevention, mentoring and after-school programs, the final year levy to be used for calculating the limit for future levy increases.

Should this measure be enacted into law?

Yes .....   
No .....

**Section 12. Ratification.**

Certification of such proposition by the City Clerk to the Spokane County Auditor in accordance with law prior to the desired date of such election, and any other act consistent with the authority and prior to the effective date of this ordinance, are hereby ratified and confirmed.

**Section 13. Notice**

For purposes of receiving notice of the exact language of the ballot title required by RCW 29A.36.080, the City Attorney is designated as the individual to whom the Auditor shall provide such notice. The City Attorney is authorized to approve changes to the ballot title, if any, deemed necessary by the Auditor.

**Section 14. Severability.**

In the event any one or more of the provisions of this ordinance shall for any reason be held to be invalid, such invalidity shall not affect any other provision of this ordinance or the levy of the taxes authorized herein, but this ordinance and the authority to levy those taxes shall be construed and enforced as if such invalid provisions had not been

contained herein; and any provision which shall for any reason be held by reason of its extent to be invalid shall be deemed to be in effect to the extent permitted by law.

**Section 15. Effective Date.**

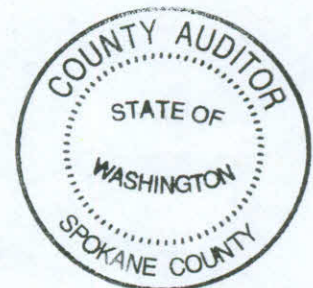

This ordinance shall be submitted to the electors of the City of Spokane for their approval or rejection at a special election on date requested by the City Council pursuant to RCW 29A.04.330(2). If approved by the electors, this ordinance shall take effect and be in full force upon issuance of the certificate of election by the Spokane County Auditor's Office.

**Section 16 Emergency.**

To the extent as may be required by RCW 29A.04.330, an emergency is determined to exist to call for a special election in order to submit this ordinance to the electors of the City of Spokane.
