To whom it may concern,

This note goes along with the four  
string Kamaoka ukulele that I'm hereby  
donating for a good cause with regards  
to Ferry County.

It's a great uke, handmade in Hawaii.  
It's also one that got used during the  
recording of the Ukulele Song record  
that has been put together recently.

I hope it finds a good home  
and is able to help keep the country country.

All the Best.

Edie Vashel.
