PRESS RELEASE FOR FEBRUARY 26

Representative Dennis Lake, Republican, District 28 (Bingham County) announced today that he will **not** seek reelection to the legislative seat he has held for 8 terms. Lake is the current chairman of the Revenue and Taxation Committee, a position he has held for 6 years, and is the senior member of the Agriculture Affairs Committee and the Commerce and Human Resources Committee.

Lake said that he knows there are others in his legislative district that would like to serve in the legislature and is cognizant of the fact he has been his constituent's representative for 16 years, which is several years longer than he intended when he was first elected. Term limiting himself is the only reason Lake gave for not seeking reelection.

Lake went on to say that he hoped to continue to be of service in a non-paying position in state government where the experience and expertise he has accumulated as a legislator can be put to good use.
