**KCRR Legal Issues Update**

During the recent Primary Season the KCRR was attacked by the opponents of our endorsed candidates in an attempt to steal our name - the Kootenai County Reagan Republicans.

While this attempt to intimidate us into not using our name in support of our endorsed candidates failed, while setting a new low for despicable behavior in Kootenai County politics, now that the primary is over we are still fighting to protect our name.

We have retained the services of a lawyer and will be pursuing this legal battle as far as we have to in order to retain sole use of our name.

To do this KCRR needs your help!

If you are against dirty politics please donate to the KCRR Victory Fund.
