

Qualifications over ideology.

Please vote for well Balanced candidates and ensure a healthy, prosperous community.

Your vote is Crucial on May 21

Just how crucial is your vote on May 21? It is VITAL to the direction of our School Districts and Hospital Board of Trustees.

CDA School Board:

1. Should Boosters be able to control their own funds?
2. Do you want Sorensen Magnet School's successful, creative curriculum offering to stay?
3. Should our kids learn beyond just Rote Memorization?

These are a few issues you can be sure to hear about should this current Board maintain leadership. **Vote for** Christa Hazel (**Zone 1**), Dave Eubanks (**Zone 4**) and Tom Hearn (**Zone 5**).

Hospital Board: Our hospital is a HUGE business that takes care of our community's health. The annual budget is \$530 million! Liese Razzeto has a proven track record and knows her stuff. Jim Pierce brings some professional experience and acumen to the table that the board will need.

PF School Board: Here's the bottom line. RR's have one seat, and they are vying for 2 more, which would make them dominant. Glorie Ward has stated she's running because her husband told her to - so basically, Jeff Ward will be running that seat. Is that best for Post Falls' kids? Vote Dave Paul (Zone 1) and Julie Hunt (Zone 5).
