

The 29th Running of **The “Original” Bare Buns Fun Run** July 28, 2013

Runners, walkers, wheel chairs and babies in carriages are all headed for Kaniksu Ranch Family Nudist Park for the 29th Running of the “Original” Bare Buns Fun Run. The event weekend features a Saturday night DJ Dance, all you can eat carbo-load spaghetti dinner and SO MUCH MORE.

Kaniksu Ranch has added a SPORTS COMPLEX to the grounds. We now offer two Bocce courts, Volleyball, a Pickle Ball court, basketball hoop, beautifully refurbished horse shoe pits, and of course there’s the sparkling pool, heated by a wood fired boiler! There is literally something for everyone. Miles of hiking and biking trails surround the 265 acre park in the Kaniksu National Forest, just 45 miles north of Spokane, WA.

Rooms in the spacious lodge are full, but there is still plenty of RV and Tenting space available. Visitors flock to this run that has been called “the best run run in the country” from all over North American and sometimes beyond.

Around 400 runners and walkers will start at the BOOM of the cannon at 9:30 AM Sunday morning, July 28th. The road into the Ranch, which is part of the course, closes at 9:00AM sharp and the leisurely trip around Deer Lake on Sunday morning can be expected to take longer than usual, so we offer a word of caution: COME EARLY. Best bet: Come the day before and relax in our mountain splendor. You can enter the race up to 9:00AM on race day for a \$28 fee. The event IS CLOTHING OPTIONAL but everyone wants the coveted “Nude Finisher” T-Shirt. Special event pricing for camping is in effect for the week around the run to introduce everyone to social nudism. No cameras are allowed except the “official photographer”.
