By Precinct Election Day Results Posted

Kootenai County Clerk Cliff Hayes announced that the Unofficial By Precinct election results are now posted on the County's website. That information can be accessed here <http://www.kcgov.us/elections/#>

"We also revised the Registered Voters Total number on the overall pages posted last night," Hayes said. While there are 68,391 total voters registered in Kootenai County, only 54,120 of them were eligible to vote in the November 5 election because they reside in cities or the fire districts having an election.

"The turnout percentages changed, but results stayed the same," said Hayes.

The County's new ballot tabulation equipment worked flawlessly all evening.

Hayes reminds the public that election results remain Unofficial until they are canvassed with the Board of County Commissioners on November 15. The public is invited to attend this meeting, at 9AM in the Kootenai County Admin building, 451 Government Way in Coeur d'Alene.
