Swing Shift:

Fraud - Victim reported unknown suspects have used his Cabela's credit card information at approx. 5 locations within our city. The victim advised he is still in possession of his card and is not sure how they gained access to his information to use the card.

Theft of a motor vehicle from Auto Credit - Employees reported a male approx 22-23 years old, with short hair and dressed in tan pants and a dark jacket stole a 1998 Hyundai Elantra off of the lot and fled east. The employee advised the vehicle did have a license plate on the car but was not able to remember the plate number.

Theft of money at Super 1 Foods - The Salvation Army bell ringer advised a male driving a Silver 1998 Hyundai Elantra snatched his bucket full of donation money and fled in the car. While taking the money a physical altercation took place but the RP was not injured during the incident. The suspect was dressed in light tan pants, wearing a dark hoodie and grey gloves. This vehicle and suspect description also fit the suspect who stole the vehicle at Auto Credit. Moments later while responding to the vehicle theft and this theft, Auto Credit employees advised the suspect just arrived back at the business and was attempting to walk away from the car. When employees tried to speak with him he took off running with auto credit employees giving chase. Eventually, the male was captured by employees after a physical fight broke out and they had him detained. Unfortunately the male broke free once again and

another foot pursuit ensued. The last place the suspect male was spotted was inside the donation tent at St. Vincent changing his clothes but before he could do so he was interrupted by employees and chased off. The male once again fled on foot but this time the only clothes he had on was a pair of pants and shoes. Employees said the male then barged into a female's apartment at St. Vincent but was chased out. Officers were unable to locate the male after setting up a perimeter and using the K-9 to track him. The suspect was last described as a white male 20-23 years old, light hair, light eyebrows, wearing light tan pants, shoes, and had a bloody nose he sustained from the fight with either the Salvation Army Employee or the Auto Credit employee. The vehicle was retained by Auto Credit.

Vehicle Theft from The White House Grill. An employee reported his black 1992 Jeep Cherokee stolen from the parking lot. The vehicle is described as having a 3" lift, large mud flaps, custom front and rear bumper and a sticker on the back that states "Come to the dark side." We believe this vehicle may have been stolen by the same male suspect who robbed the employee at Super 1 Food and stole the vehicle at auto credit as the time frame fits.

Recovered stolen vehicle on W. 7th Ave. While looking for the suspect in the other vehicle theft and robbery, officers located a white motor home that was stolen out of Spokane. The suspect in the above-mentioned robbery and theft was living in it. Neighbors advised the motor home just showed up within the last few days. The vehicle owners were contacted and retrieved it.

Juvenile Runaway on E. Dongal. Male juvenile was last seen this morning at approx. 10:30 hours. According to parents, he is a habitual runaway and he was last seen wearing black jeans and a black t-shirt.

Mal-injury to property on S. Osprey Drive. R/P reports somebody gained access to his backyard and damaged his fence in the process. No suspects at this time.

Juvenile problem on W. Cami. Parents called and advised their juvenile daughter was out of control and they needed law enforcement right away. The juvenile female was taken into custody for assault/battery on her parent.
