

## Skeletal remains found in Bayview identified:

### **Kootenai County Sheriff's Office**

**Bayview, ID** – Kootenai County Sheriff's Detectives working in cooperation with the King County Medical Examiner's Office have positively identified the skeletal remains found in Bayview on February 4, 2015.

The deceased individual has been identified as Billy Vaughn Davis, 44 years old of Coeur d'Alene, ID. Billy Davis was last seen by his family in July 2014 and they reported him as a missing person in November 2014. Davis lived a transient lifestyle and it was not uncommon for him to be out of contact for periods of time.

Detectives are seeking assistance from anyone that may have had contact with Billy Davis, particularly the spring and summer months of 2014. Davis' friends, associates and activities in the time just prior to his death are of particular interest.

Billy Davis was last wearing black jeans, a blue plaid hooded sweatshirt and brown hiking boots. The forensic investigation is still ongoing. The circumstances and causal factors involved in his death are currently being investigated.

Anyone with information on this case is asked to contact KCSO Detective Northrup at (208)446-2237.
