

HEY YOU - WHITE BREAD !!!!!

Hey White Man ! White Woman ! Do you know how it feels to be sliced up and eaten?? Well, that's what's happening to you right now, and here's the menu:

Conservative Whites, Liberal Whites, Baby Boomer Whites, Young Whites, Geek Whites, Southern Whites, Midwestern Whites, East Coast Whites, White Professionals, Educated Whites, Hill Billy Whites, Whites in the military, Working Class Whites, Rural Whites, ...and so on and so on...!

Your kind is being sliced up and purposely divided by the media and political parties. They put us into factions and categories, and give us multiple labels to deny us our unity and ethnicity.

Lies and deception are OK – in the name of political correctness – to keep white people from being collectively focused as white people, and to keep us from collective consciousness.

As a collective group, white people have unique interests and rights – *specifically because we are white*. But now, you are taxed to death and made to feel ashamed for being white!!

We wouldn't have these problems if white people had a country of their own!

The media elites fear you, the powers of political correctness fear you, because they know the REAL power of your racial consciousness. They fear Popular Sovereignty for white people!!

They will continue to divide us and serve us up – like white bread! Do you think the Northwest will escape much longer, from Black Lives Matter and enforced Moslem immigration?

**WHITE NORTHWESTERNERS !

An Egregious Sin Against Mankind

There is such a thing as a sin against mankind. Just as there is sin against God, there is a lesser order of sins. These transgressions, which are affronts to human sensibilities, exist against man in his natural state. They are universally objectionable transgressions, identifiable as such, regardless of one's religious or cultural values. Sins of this lesser order trigger revulsion and even nausea, because they disrupt humanity - the condition of being human as we know it.

Animal cruelty, desecration of cemeteries, homosexuality, and victimizing the weak and infirm are familiar examples. All of these are repulsive to normal people, because they symbolize the intrusion of forceful degradation upon those who are innocent and pure. Racial mixing at the level of sexual contact is also a revolting social act, a symbol of impurity and adulteration. It is an unnatural evil, which stains and ruins forever the beautiful and the natural. Revulsion rises in our throats at the sight of a mixed-race couple, because at some level, we identify with one of the members of the couple. It is not the person of the other race who is objectionable, but rather the ugly and invasive violation both of them commit. Their sin is egregious. The loss of continuity for future generations of our own racial tribe takes shape before our eyes. It naturally disgusts and repels us. Race mixing is an affront to our sensibilities and to natural morality. It is a sin against mankind.

Stand against it. Cherish purity. Pray for the sinners.
