Me:

My suggestion would be to release
one line to media right now:

Spokane police have arrested one
suspect, a juvenile male, in
connection the to beating death of
an 88 year old man earlier this
week. He has been charged with
1st Degree Robbery and 1st Degree
Murder. More information will be
released later this morning.

That is griff's suggestion. I concur.

The email was too large and got stuck in my outbox; sorry for the delay.
