

Media Detective – Source Credibility Checker--Handout

Use this handout to evaluate the credibility of the news article assigned in class. Answer each question thoughtfully and be prepared to discuss your findings.

Guiding Questions:

1. Who is the author of the article?
2. What organization or publication produced the article?
3. What sources or experts are quoted?
4. Are the sources credible and relevant to the topic?
5. Does the article present facts, opinions, or a mix of both?
6. Is the tone formal, conversational, biased, or neutral?
7. Are there any missing perspectives or voices?
