

One-Minute Audio Summary--Handout

Use this handout to track what you hear and remember from your partner's one-minute summary. Listen carefully and write down the three most important points.

Step 1 – Listen:

- Play your partner's one-minute recording.
- Pay close attention to key details, names, dates, and main ideas.

Step 2 – Record Key Points:

1. _____
2. _____
3. _____

Step 3 – Compare:

- Compare your notes to the original article. Did you capture all the main points?
- Discuss any differences with your partner.
